BLACKROD PRIMARY SCHOOL

Reading Pathway

Reading Intent

Reading sits at the heart of the curriculum at Blackrod Primary School. We are determined that **every** child will learn to read fluently and with confidence. We recognise that reading is a fundamental life skill which enables children to; communicate effectively using rich, varied vocabulary, gain knowledge across the curriculum, share in cultural experiences and develop quality comprehension skills.

We are committed to fostering a life - long love of reading in every child, as we recognise that reading for pleasure - is not only beneficial for reading outcomes - but also, for reading to learn and supportive of mental wellbeing.
