### Statement:

The policy complies with the requirements of the Education Act 1996

The main provisions are:-

- schooling should be free.
- activities should be available to all regardless of Parent/Carers ability or willingness to pay.
- charges may be made for optional extras which occur outside the School Day.
- schools are free to invite voluntary contributions in support of any activity whenever it takes place.

### School Policy.

The Governing Body has decided that its policy will be to request voluntary contributions for visits and activities within school time. There will be no obligation to contribute and pupils will not be treated any differently according to whether or not Parent/Carers have contributed.

Parent/Carers will receive a letter explaining the nature of any proposed activity and its value in educational terms. It will indicate the contribution per pupil which will be required if the activity were to take place. It will emphasise that no pupil will be omitted from the activity because their Parent/Carers are unwilling or unable to contribute, but it will make equally clear that the activity would not take place if Parent/Carers are reluctant to support it.

Requests for voluntary payment will be for board and lodgings on residential visits and or activities which take place outside school hours but which are not provided as part of the curriculum.

No charges will be made for activities provided outside school hours if the activity is to fulfil requirements in the curriculum for a prescribed public exam or is specifically to fulfil duties relating to the National Curriculum, or is specifically to fulfil duties relating to religious education.

### **Remissions**

Where Parent/Carers are in receipt of Income Support, Income Based Jobseekers Allowance, Support under part IV of the Immigration & Asylum Act 1999 or Child Tax Credit (provided that Working Tax Credit is not also received), the Governing Body will observe its statutory requirement to remit some of the costs incurred for activities that the school organised for the pupil if the activity is deemed to take place within school hours.

There may be cases of family hardship which make it difficult for pupils to take part in other particular activities for which a charge is made. When arranging a chargeable activity the Governing Body will invite Parent/Carers to apply in confidence for the remission of charges in part or in full. Authorisation of remission will be made by the Head Teacher in consultation with the Chair of Governors.
