

# BLACKROD PRIMARY SCHOOL

## MIHAZES REVIEW DAY - OUR REFLECTION

### PSHE

We recalled all of our PSHE—health and well-being activities with a fun quiz. We then drew around our friends and wrote the amazing things we can do to keep are mind and bodies healthy.

### DESIGN AND TECHNOLOGY

We completed a quiz recaping on all of the knowledge and skills we learnt to make a smoothie. We then sorted different fruit and vegetables into groups.

### SCIENCE

Our favourite part of the day was 'dumping' all of our knowledge about **Our Amazing Body**. We then tested foods and created our own healthy lunchbox.

LEARNING = A CHANGE IN LONG TERM MEMORY
