

# BLACKROD PRIMARY SCHOOL

## RINGGOLD REVIEW DAY— OUR REFLECTIONS

### MATHS

We recalled key knowledge from our **Place Value and Addition and Subtraction** units in Maths. We asked and answered our own questions to show recall.

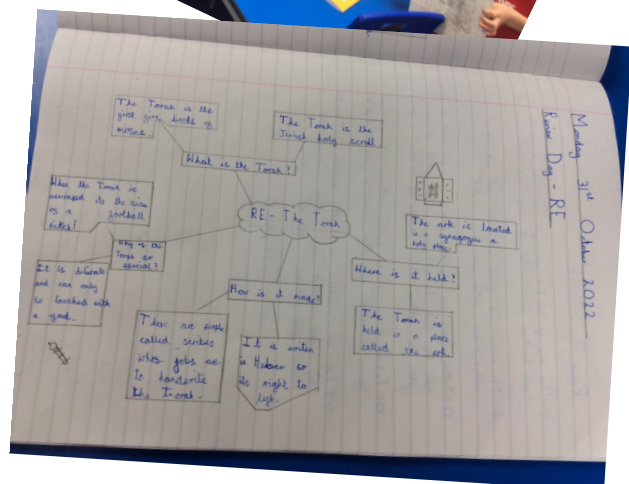

### SCIENCE

We created a 'brain dump' of everything we had learned about plant, animal and human reproduction.

### RE

We created mind maps to show our recall of our learning about Judaism and the Torah

LEARNING = A CHANGE IN LONG TERM MEMORY
