## Project Reflection – Summer 1

### Art – Mod Roc

#### Art- Mod Roc

We loved our Art project using Mod Roc and other media.

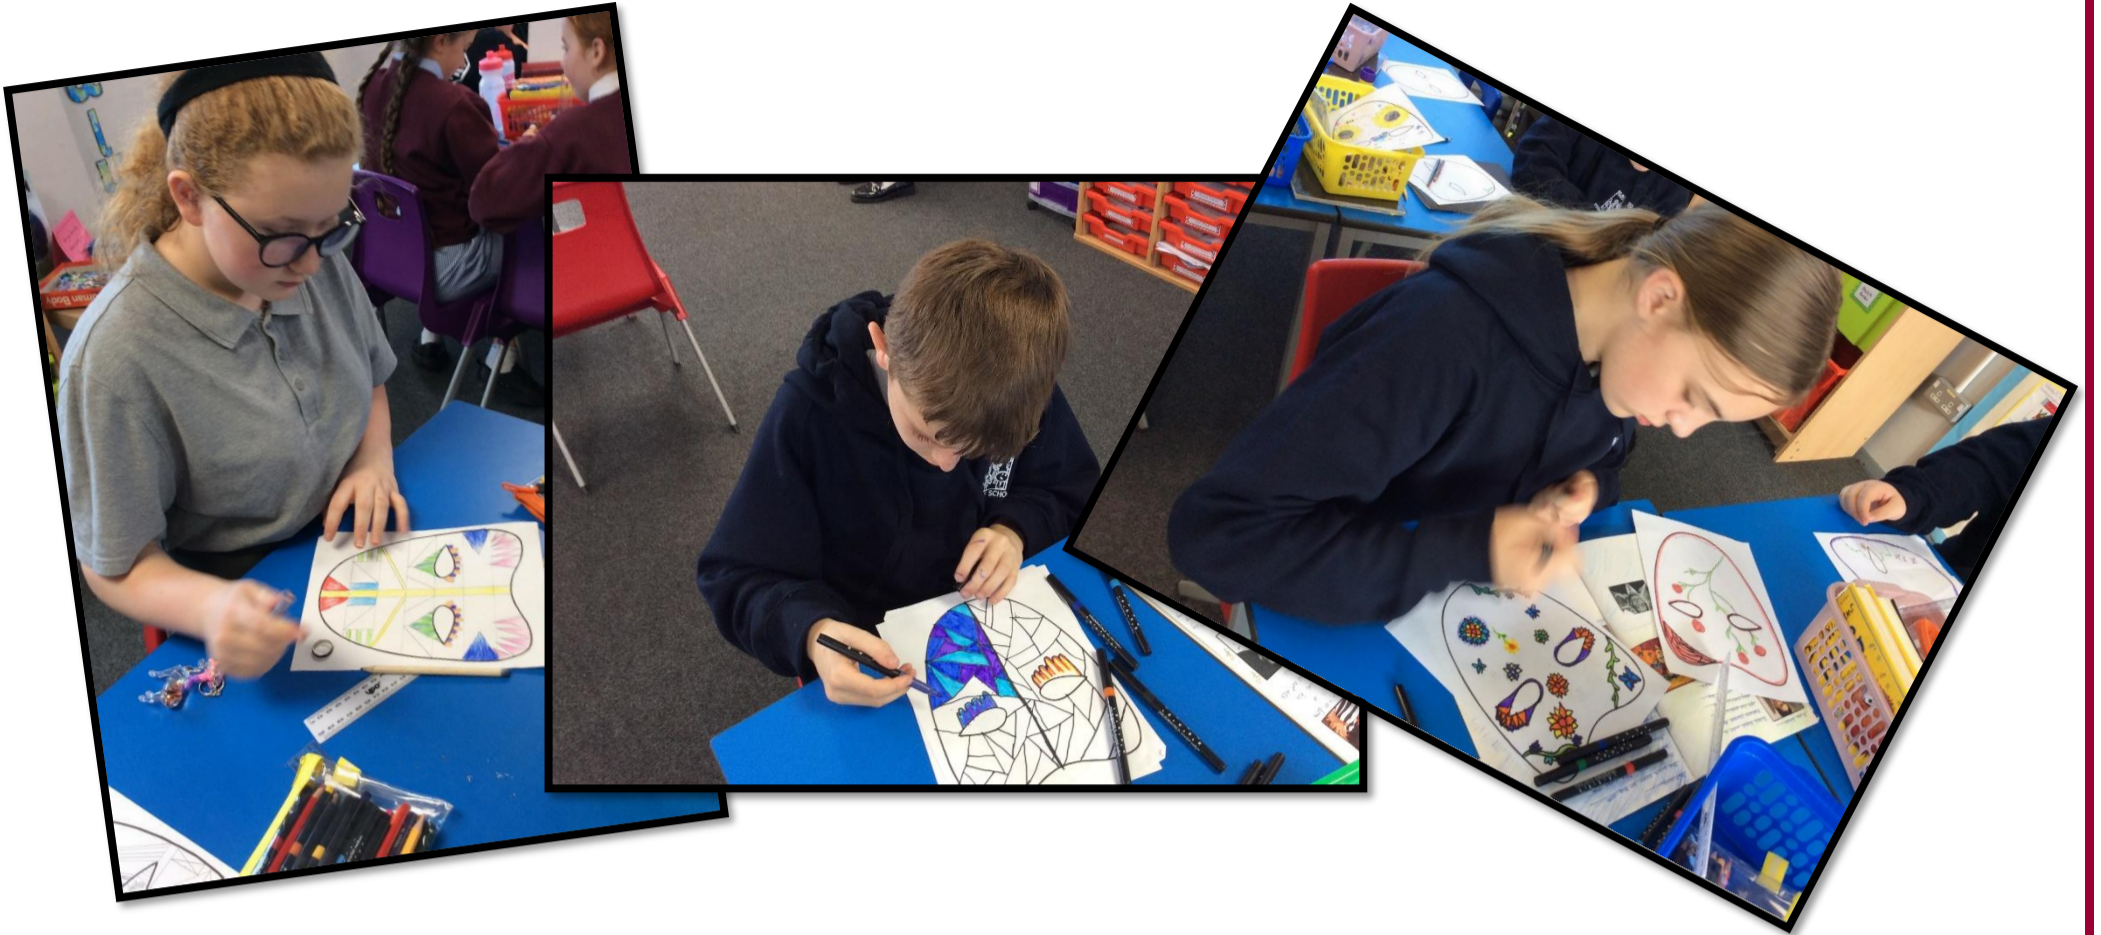

We decided to create masks using inspiration from our class artists. We started our project by creating a scrap book page all about the different artists and we researched Mod Roc and how to use it.

We then chose an artist to focus on. Take a look at some of our superb mask designs.

## Mod Roc

Next came the tricky part, we used Mod Roc to create our masks and used balloons as our base- it was very messy fun.

## Mod Roc

We used our designs and painted our Mod Roc masks using acrylic and dabbing with the paintbrush, they turned out fantastically.
