

## PTFA Newsletter Autumn 2025

Now that we are back in the swing of the new school year, the PTFA wanted to take a moment to say a huge thank you for your incredible support last year. Whether you attended events, donated your time, or helped spread the word, your generosity made a real difference.

### PTFA Highlights from Last Year

We loved seeing the children have a wonderful time as well as the opportunity for families to come together at events like:

- Halloween Disco
- Christmas Markets
- Selection Box Bingo
- Valentine's Disco
- Easter Treat Bingo
- Summer Fair

These events weren't just fun, they were moments of joy, laughter, and connection. They gave children the chance to experience the magic of celebration, build friendships and enjoy the richness of school life beyond the classroom. For many, these are the memories they will carry with them long after they leave primary school.

### What You Helped Fund

Thanks to your enthusiasm and generosity, we were able to fund:

- A visit from RockKidz and the Space Dome
- Christmas parties, a magical visit from Santa, and a book for every child
- Books and reading diary covers for children at all key stages
- Book bags for every child in Reception
- Contributions towards all school trips

These experiences help broaden children's horizons, spark curiosity, and nurture a love of learning. Whether it's the wonder of the Space Dome or the excitement of a school trip, these opportunities enrich their education and create a sense of belonging and pride in their school community.

## How You Can Help

We're always looking for fresh ideas, helping hands and enthusiastic supporters. If you'd like to join the PTFA, be added to our volunteer list for ad-hoc events or have more questions, just drop us a message at [ptfasecretary.blackrodprimary@gmail.com](mailto:ptfasecretary.blackrodprimary@gmail.com).

Got a fundraising idea you'd love to share? Work for a company that offers matched funding? Have a great prize you could donate for a raffle? We're all ears!

Let's make this year even more memorable for our children.

Thank you again, your involvement really does make a difference!

Warmest wishes

The PTFA Team
